

THE LIFE OF THE PARTY.
THE BRAINS OF THE OPERATION.

TRIVIA MAFIA is a pub quiz operation in the Twin Cities specializing in creating fun, popular events that draw big crowds to your bar on otherwise down nights. We offer ready-made events: We provide the host, all written materials and we promote the event online through our blogs, Facebook, Twitter, as well as word-of-mouth and street marketing.

TRIVIA MAFIA has been called the "Twin Cities' best trivia night" by the *Star Tribune*, *Vita.mn*, and *Metromix-Twin Cities*. We currently run quizzes in 13 bars in the Twin Cities area. Many of those bars used to be dead on week-nights; a good pub quiz, combined with an engaging host, is a proven way to bring new crowds into your bar again and again.

What happens during a Trivia Mafia pub quiz?

Our quizzes are comprised of two rounds of general knowledge trivia (everything from pop culture to history to geography), plus one 10-picture image round. In bars with suitable sound systems, we also run a "name that song" sound round.

Also depending on the sound system, our hosts may ask questions over a microphone, or walk from table to table. Either way, we make sure not to annoy patrons who are uninterested in trivia, and we entertain those who are.
